

Our virtual Women's Retreat will be very different from the usual face-to-face retreat. We won't be eating together, hugging each other or sitting together. But we will be gathering, sharing, socializing, discussing and worshiping together. Most of our usual retreat activities will now be experienced from the comfort of our own homes.

Check the schedule and set aside the days and times to click on the Zoom link in your email, so you can be a part of this exciting new encounter. You'll find registration information elsewhere in this brochure. With your help and participation, this will be a unique and meaningful retreat experience.

This virtual retreat is an expression of our district's commitment to step out in faith to bring God's message of love, compassion, and mercy to you in a new and exciting way.

The fee for this retreat is \$15 per person for materials that will be supplied to you to use and keep. All who attend will also receive a commemorative t-shirt.

## OUR SERVICE PROJECT

### Laundry Outreach Program

Troy Church of the Brethren has organized and funded a program for people to be able to wash their clothes at a local laundromat. Several times a month the church rents the laundromat as volunteers assist people washing their clothes. The church gives the quarters needed to feed the machines and provides all the detergent and supplies. Church members even pick up laundry, wash it, and return the clean laundry to the owners. Our donations will help in this service to the community surrounding Troy Church of the Brethren.
