Dear Sisters and Brothers,

We are excited to share that we are entering a time of exploration and discernment for our congregation! God has given us a variety of gifts and a unique calling. We strive to fulfill the potential which God has rooted within us.

To assist us in living out that potential more fully, we have decided to take a moment and reflect on who we are and how we are living out our Christian witness. We will be entering a survey process which will give us a snapshot of our experiences with our congregation at this moment in our journey.

The survey is intended to provide information and sketch a description, not define the congregation. The survey results will be used to provoke questions, promote dialog, and spur our imagination as we consider God's guidance for our congregation.

We hope that everyone who is a member and regular friend of our congregation will take time to complete the survey. All individual responses will remain confidential, and the survey report will show aggregate responses only. The survey report will be given to church leadership and your district executive who will make plans to share it with the congregation.

The survey will take you approximately 20 – 30 minutes to complete. It is important that you complete it in one sitting since a partial survey cannot be saved and will be excluded from the report tabulations. It is best if you can complete it online because this will save your church extra work to enter the data by hand; however, if you require a paper version of the survey please let us know and we will gladly provide one. The priority is your participation.

The survey will be available to you starting on July 1, 2020 and it will be closed at 11:00 p.m. on July 31, 2020. Please complete your survey during that timeframe. The survey is for each individual, so if you have multiple family members make sure each one has a chance to complete the survey independently.

If you have any questions about the survey process for your congregation, please contact Pastor Lee. If you are having technical issues with the online survey, please email info@artistryleads.com and allow 24 hours for a reply.

Thank you for offering your input through this survey, and for joining us prayerfully in this process.

Blessings to you in this journey.
